

15. 다음 표를 보면서 대화를 듣고, 남자가 구입할 블루투스 이어폰을 고르시오.

W: Honey, what are you doing?

M: I want to buy bluetooth earphones. Since you have a pair, can you help me choose some?

W: Okay. First, you need to check the playtime.

M: It should be longer than ten hours, because I listen to music all the time.

W: Sure. A charging case is really useful as well. Bluetooth earphones are tiny so you can keep them in the case safely and charge them at the same time.

M: All right. I'll buy earphones that have a charging case.

W: Good. What about the color?

M: I prefer white to match my smartphone.

W: Okay. Then, you can choose between these two. How much are you willing to pay?

M: I don't want to spend more than \$ 50.

W: Then this is the best choice for you.

M: Thanks for your help. I'm going to order this pair right now.
